

To all Clubs and Life Members,

6th April, 2018

2018 Motorcycling NSW Board Election Declaration

Clubs and Life Members were notified early in March of the upcoming MNSW Board elections, and were provided with nomination forms to provide to their members if they were interested in nominating for one of the two available positions on the Board of Directors.

With nominations having closed on March 31 for the 2018 Board elections, and only two nominations having been received for the two available director positions, the election is now considered an Uncontested Election, and the two candidates are declared to be elected unopposed, and will begin new 3 years terms as of the AGM in May. No Board election will be required for 2018.

The two successful candidates were the outgoing directors, Tim Sanford and Michel Constantinou, who nominated to recontest their positions.

We will provide more information next week regarding the process for nominating for Sports Committee positions.

The AGM will still take place as usual in May, where the audited financials will be presented, and a number of Constitutional changes will be proposed for members to vote on at a Special General Meeting immediately after the close of the AGM.

Yours in Motorcycling

Dave Cooke

CEO
