## RAIN POSTPONES RECREATIONAL CHARITY RIDE DAY

**For Immediate Release: 27/05/2010**

MNSW would like to advise all riders that due to the exceptionally bad weather and heavy rainfall across the Hunter Valley, Central Coast and Sydney over the past 5 days, the ***MNSW Call To Arms Recreational Charity Ride Day***, to be held at Lakes on Saturday, has been cancelled until further notice.

The decision was made this afternoon following a meeting between MNSW and the Lake Macquarie club in the interest of rider safety, wear and tear on machines and wear on the track itself.

However, it is not all bad news!

Despite the abandonment of Saturday's event, MNSW is now working with the Lakes club to finalize another date to hold this unique, fun-filled day, with details to be released later next week.

For the large number of riders who completed an early entry and pre-paid, MNSW will contact everyone personally to confirm new dates and arrange for either a refund or a transfer of your entry to the proposed new date. Details will be finalized and released early next week.

In addition, any rider who did complete an early entry, and would still like to claim their free ticket to Sunday's round of the MX Nationals at Raymond Terrace, please contact MNSW by phone on Friday the 28th of May to arrange.

To all of the riders who entered and gave us positive feedback, the Lakes club and all of its hard workers involved, the ***Cancer Council***, Jay Foreman and Rockstar/Motul/Suzuki, Kawasaki and KRT and everyone else who put in a tremendous amount of effort to get this day off the ground, MNSW wishes to express its sincere appreciation and we hope to have everyone's support again for the second attempt in a few weeks time.

To obtain an entry form or for more details about the cancellation, log onto [www.motorcycling.com.au](http://www.motorcycling.com.au) or call MNSW on (02) 9635 9177.

**Ends.**
