

NEW DATE FOR VICTIMS OF FLOODING FUNDRAISER RIDE

As the flood crisis, and the water, begins to subside in South East Queensland, Off-Road Event Promotions has kicked into full-swing, in preparation for what will be one of Australia's largest off-road charity rides.

Due to the overwhelming response to *OEP's Victims of Flooding Fundraiser Ride*, organizers have been forced to move the date back an extra two-weeks, to allow for all the infrastructure that is now required to accommodate a festival-like atmosphere over the weekend of **February 19-20, 2011**.

Members of the motorcycle industry from far-and-wide have offered their full support - donating huge amounts of special pieces of memorabilia and products to go up for auction and be raffled off. Whilst the weekend will now feature a party-like atmosphere on the Saturday night with music, RPM-challenges, activities and more.

Riders of all ages and abilities will converge on the **Mt Seaview Resort**, 35 mins west of Wauchope for the **Ride OEP Victims of Flooding Fundraiser Ride** - with 100% of the proceeds going to those affected by the Queensland floods.

Being a family man and someone who, like most, has family and friends being affected in the region, **OEP Director, Michael Prott** is ready to help in anyway.

"It's almost beyond belief what is happening in Queensland right now. It's hard to think what so many have lost and while we can't ever replace those things, the least we can do is do what we do best - and that's bring everyone together for a ride and give every cent we can to those in need," **said Prott**.

Riding that needs to be seen to be believed. (click)

The event will cater for riders of all ages and skill levels - from guided trail rides and informational tours, to grass-track riding, all run on a timed schedule, allowing for plenty of time to explore the scenic surroundings including the various swimming spots and rapids of the Hastings River.

Cost for two-days of riding is just **\$60.00** for kids(U/16) and **\$80.00** for adults, with all proceeds going to the disaster appeal. Camping, with full amenities, is just **\$15.00 per vehicle**. (food will be available across the weekend - stay tuned to the website for more information).

***NOTE:** To take part or to lodge your interest, please email OEP on the following email by no later than: Tuesday February 15.

For more information, log onto www.rideoep.com or contact them on admin@rideoep.com

If your company would like to get involved or you have a something you could donate to the raffle. Please download the flyer (above right) or get in touch with OEP on the details above.

Family friendly atmosphere.
