**SUBJECT** : **Officials' Seminars**

---

Due to a large number of seminars having to be cancelled in the past couple of years, MNSW has decided to limit the number of prearranged seminars available.

Additional seminars can be arranged at clubs request. If you are interested in attending a seminar in your area please contact your club.

Clubs – If you are interested in having a seminar in your area please contact the MNSW office to arrange this, please include:

- The type of seminar you require
- A list of attendees
- 3 alternative dates to arrange with the presenters.

MNSW will do the rest.

If you would like any further information regarding officials' seminars please feel free to contact the office.

Kind regards
