Motorcycling NSW Raises \$14,000 for the Children's Hospital at Westmead:

After the success of their very first annual 'Night of Champions' last month in Penrith, Motorcycling NSW recently presented the Children's Hospital at Westmead with a \$14,000 cheque.

A total of \$14,000 was raised for the Children's Hospital at Westmead from the Motorcycling NSW 'Night of Champions' and everyone from Motorcycling NSW was on hand to present the Children's Hospital at Westmead with their generous donation.

General manager of Motorcycling NSW; Daniel Gatt, was thrilled that an event such as the 'Night of Champions' that was setup to not only raise funds but also recognise the efforts of all the NSW Title winners in 2008 from the various classes under the Motorcycling NSW banner, was able to raise a \$14,000 for the Children's Hospital at Westmead.

"It's wonderful to be able to give something back to the Children's Hospital as they do such a fantastic job and their efforts cannot be commended enough," Gatt stated. "It's also great to have a facility like the Children's Hospital at Westmead available as many of the young riders that are unfortunately injured in motorcycle competition incidents wouldn't be where they are without their support."

The Children's Hospital fund raiser is just another way that Motorcycling NSW is putting something back into the community.

"Motorcycling NSW is continuing to work hard to throw their support of the community as we strive to break down the boundaries between motorcycling competitors and the general community. Hopefully this is just another step in the right direction to help that cause," enthused Gatt. "Everyone from Motorcycling NSW and its competitors have put in such a great effort with the running of the 'Night of Champions' and we were thrilled to raise \$14,000 for the Children's Hospital."
