RE: LICENCES:

Due to problems we are currently experiencing with our new nationwide database we are currently unable to print any licence that we have received after 4.01.2010. Licences are still being processed on the system, however we are unable to physically print them. This problem is currently being rectified.

As a result. we are unsure when we will be able to physically print licences. In the meantime, will be issuing a clearance for **ALL** licences that have been processed since 4th January 2010.

The clearance will **not** be sent to the riders, a list will be sent to all Race Secretaries of those clubs that have a permit for the weekend.

If you have any questions please contact the office on 02 9635 9177

Thank you.
