

RIDE OEP VICTIMS OF FLOODING FUNDRAISER RIDE

With our Northern riding buddies in *Queensland* experiencing heartbreak like we can only imagine, as the floods continue to take its toll cause untold devastation, newly-formed *Off-Road Event Promotions*, in conjunction with *Motorcycling NSW*, has opened its doors to the public for the first time in aid of the Victims of the flooding.

Whilst we have all sat and watched the disaster unfold on television, OEP, as it has already become known, will do its bit to give back to the people of Queensland who have lost everything.

So, on February 5-6, riders of all ages and abilities will converge on the *Mt Seaview Resort*, 35 mins west of Wauchope for the *Ride OEP Victims of Flooding Fundraiser Ride* - with 100% of the proceeds going to those affected the most.

Being a family man and someone who, like most, has family and friends being affected in the region, *OEP Director Michael Prott* is ready to help in anyway.

"It's almost beyond belief what is happening in Queensland right now. It's hard to think what so many have lost and while we can't ever replace those things, the least we can do is do what we do best - and that's bring everyone together for a ride and give every cent we can to those in need - while asking for as many donations along the way," *said Prott*.

In a show of support, a ton of memorabilia has been donated to the cause, which will be auctioned off across the weekend, as well as raffles, entertainment and more. The event will take place at one of Australia's premier, untouched off-road riding spots - the Mt. Seaview Resort, located approx. 35 mins West of Wauchope, NSW.

Wide spread flooding across Queensland.

The event will cater for riders of all ages and skill levels - from guided trail rides and informational tours, to grass-track riding, all run on a timed schedule, allowing for plenty of time to explore the scenic surroundings including the various swimming spots and rapids of the Hastings River.

Once again, **Motorcycling NSW** will be right behind the cause and OEP, trying to help those in need.

"It's simply heart-breaking to see so many people have to endure what they are currently faced with and the amount of hurt and need that comes with a tragedy like this, it's just crushing."

"So, to do whatever we can to raise as much as we possible is the least we here in NSW can do and MNSW implores everyone to get involved and help us, help them! Obviously it would not be appropriate to hold an event such as this right now, amidst the height of the tragedy, so February seemed like the ideal time to hold the ride, hopefully when things have calmed down and the rebuild process can begin," **explained MNSW's Marketing Manager, Paul Jamieson.**

Cost for two-days of riding, including dinner on the Saturday night is just **\$65.00** for kids(U/16) and **\$85.00** for adults, with all proceeds going to the disaster appeal. Camping on a powered site, with full amenities is just **\$15.00 per vehicle**. Full resort rooms and cabins are available upon request.

For more information, log onto www.rideoep.com or contact them on admin@rideoep.com

If your company would like to get involved or you have something you could donate to the raffle. Please get in touch with OEP on the details above.

Family friendly atmosphere.

Something for everyone - every the squirts.
