Anticipation building for Aussie Junior Dirt Track Championships

With only two weeks to go until the Kurri Kurri Bowling Club 2010 Australian Junior Dirt Track Championships, anticipation is building for what is sure to be a huge meeting for Junior Dirt Track riders on 2-4 July.

Riders have entered from South Australia right through to Queensland and the event is taking shape as one of the biggest for Dirt Track for the last few years.

The Kurri Kurri Junior MCC is excited to have the Kurri Kurri Bowling Club come on board as Naming Rights Sponsor of the event, with plenty of Minor Sponsors all contributing to the meeting.

When the event kicks off the parade lap will see some former Kurri boys honoured, including current Australian Dirt Track Champion Paul Caslick, Two Times Australian Superbike and Supersport Champion Jamie Stauffer, and former Australian Dirt Track Champions, Graeme Smith and Chris Watson.

Trade stalls are welcome, and full amenities will be available over the weekend. Admission will be \$5.00 per car per day.

Make sure you come and see some of the fastest and most exciting junior racing you will ever see!

The Kurri Kurri Bowling Club 2010 Australian Junior Dirt Track Championship will be held on 2-4 July at:
