Motorcycling Australia accepting rule change proposals

Motorcycling Australia is currently accepting proposals for new rules and changes/amendments to existing rules.

Feedback from members of the Motorcycle Sport community plays an important role in ensuring the rules that govern the sport are relevant and best serve all involved.

New Rule(s)

Those wishing to propose a new rule(s) should submit a Rule Amendment or Inclusion form found in the Manual of Motorcycle Sport (MoMS) or on the MA website at: www.ma.org.au or make their submission electronically following the format outlined on the form in the MoMS or online.

Submissions are to be completed in writing using only capital letters for legibility, and should provide relevant information specifying the Chapter and proposed General Competition Rule number the proposed rule applies to.

Change/Amendments to Existing Rule(s)

Changes or amendments to existing rules are to be submitted in the same form, again, completed using only capital letters for legibility.

The Change or Amendment must contain the current rule and rule number, with the new wording suggested to also be included as it would appear in the Manual of Motorcycle Sport.

As stated all existing rules must be quoted using the 2011 Manual of Motorcycle Sport GCR numbers as a reference.

Submissions for new or changes to rules must be accompanied by a clear explanation outlining the reasons for the rule change.

Submitters must include their name, club/organisation and contact details in addition to their proposal and send to:
