

Memorandum

TO : All Riders, Officials, Coaches, Clubs, Schools, Private Promoters
.....
FROM : MNSW Office
.....
DATE : 12th June 2007
.....
SUBJECT : 125cc 2-STROKE & 250cc 4-STROKE ENDORSEMENT
.....

We have been requested to clarify the procedure for juniors to attain a 125cc 2-stroke or 250cc 4-stroke licence endorsement.

Any junior who wishes to ride a 125cc 2-stroke or 250cc 4-stroke machine must apply for an endorsement. An endorsement will only be granted once 5 hours of training is undertaken by a Level 1 Coach on that machine.

- A junior rider who reaches the minimum age and holds a JCP logbook can carry out the 5 hours of coaching which will count towards the 5 hours of compulsory training required for the Junior Coaching Program under a minimum Level 1 Coach.
- Endorsement for a 125cc 2-stroke does not qualify the rider for a 250cc 4-stroke endorsement. Endorsement for a 250cc 4-stroke does not qualify the rider for a 125cc 2-stroke endorsement. A separate endorsement is required for each capacity.
- Coaching to gain endorsement may only be completed on one machine each time. Separate entries in the logbook must be present if the rider wishes to be endorsed for the 125cc 2-stroke and the 250cc 4-stroke machines.
- A new rider who has attained the correct age and conducts the Kick-Start Program on either a 125cc 2-stroke or a 250cc 4-stroke will be endorsed on that capacity machine when they apply for a licence.
- One Event licence holders must have an entry in their logbook showing the 125cc 2-stroke or 250cc 4-stroke training has been completed and signed off by a Level 1 Coach.
- Coaches who conduct the endorsement training through a club may carry out the training under an Assessment Permit. Private Coaches must conduct the training under a Coaching Permit.

Please do not hesitate to contact the office should further clarification be required.
