

2010 NIGHT OF CHAMPIONS REACHES NEW HEIGHTS

Sitting high above the grandstands of Sydney's **ANZ Stadium** is the **Gold Members Room**, and whilst it has hosted an array of galas and functions for the main stream football codes, **November 20, 2010** will mark a change, as the motorcycle sporting community converge on ANZ Stadium for the first-time - for the annual **MNSW Night of Champions**.

Having previously being hosted at the Penrith Panthers Club over the past two years, MNSW has decided it was time to take things to the next level and as such, feel that a venue such as ANZ Stadium will cater more centrally for a large portion of the expected 700 riders and families.

Another change for the event is the November 20 date. Over the past two-years, the Night Of Champions has traditionally been held on November 27. However, with Super X promoters planning their Sydney round on the same night, MNSW felt that it was not fair to make riders choose between the two - subsequently changing the date to better accommodate all riders and their families and industry members.

Despite the changes, rest assured the night will still go off with a bang with the drawing of the annual Cancer Council charity raffle, raffles on the night, entertainment, special guests, movies on the big screens and much much more.

Tickets will be just \$70.00 per adult and \$40.00 for kids and will include a full meal and soft drink package.

ANZ Stadium is located inside **Sydney Olympic Park, Homebush**. Plenty of on and off street parking will be available on the night - as well as accommodation close by.

Red carpet entry is all part of the night's fun.
