Pan Pacific Masters Games

The 7th Pan Pacific Masters Games will be held from 6 to 14 November 2010 on the beautiful Gold Coast. There will be 34 sports on the program, with more than 10,000 people from all over the world expected to participate.

The Pan Pacific Masters Games is a celebration of master's sport with both fierce and friendly competition and a jam-packed entertainment program at the Games Village at the end of each day. The slogan sums it up - "Play it, Live it, Love it!"

Participants at the Pan Pacs, as the Games are affectionately known, compete in their age group with no qualifying standards to enter. The only criteria for entry is a minimum age for each sport - and for most sports that is 30 years of age.

All sports are located in close proximity to the Games Village at the Gold Coast Convention & Exhibition Centre in Broadbeach. The Games Village will feature the registration centre, merchandise, live nightly entertainment, fully catered hospitality and an exclusive venue for competitors to meet up and enjoy the spirit the event is known for.
