

Girls get set to shine at the 2010 Casey Stoner Cup.

The Kurri Kurri Junior MCC's first Open meeting of the year, The Casey Stoner Cup, will rev up on Sunday 21st March 2010, in what will be the first Dirt Track meeting of the year to offer MA's new Girls' classes.

The Club is offering the 85cc 2 Stroke/150cc 4 Stroke 11-U16 Years and the 100cc 2 Stroke to 250cc 4 Stroke 13-U16 Years classes for all girls who hold a Junior National License, and hope they will take on the challenge to compete in their own race. Numbers are coming in for the 85cc/150cc class, with the Club looking for more entries in the 100cc/250cc class.

The Casey Stoner Cup is an annual event at the KKJMCC, and has steadily grown strong since it first debuted in 2006. With the Club hosting the 2010 Australian Junior Dirt Track Championships in July, it's a perfect opportunity for the girls to come and ride the same track and get some practice in before the Titles.

Supplementary Regulations are now on the MNSW website, and for any further information, please contact Kurri Kurri Junior MCC on 0249 374947.
