

The Barry Sheene Festival of Speed
Saturday 11th - Sunday 12th April 2009, Eastern Creek

The Post Classic Racing Association of NSW reduces the cost of Good Friday's practise day by 20% as part of the 2009 Barry Sheene Festival of Speed.

MEDIA RELEASE

The PCRA acknowledges that in the current economic climate, it is important to keep the cost of participating in the event as low as possible.

By reducing the cost of Friday's practice by \$30 for competitors entering the Barry Sheene Festival of Speed, it is hoped that a greater number of riders will take advantage of this generous offer.

The cost of practise on Good Friday has now been reduced to \$120 for pre-paid or \$150 for those who enter on the day.

All participants who have already entered and paid their money will be reimbursed the difference over the next couple of weeks.

With this new fee structure the cost of entering the Barry Sheene Festival of Speed & participating in Good Friday's practice is now only \$20 more than in 2008.
