Memorandum

TO : ALL MEMBERS

FROM : ANGELA ELLSMORE

DATE : 8 FEBRUARY 2011

SUBJECT : LEVEL 1 COACHING COURSES

To assist our members with furthering their accreditations, Motorcycling NSW will be running three (3) Level 1 Coaching courses in the first half of 2011. The details of these courses are noted below. These courses will be run a little differently to courses run in the past, as they will be run only over one day covering only the sport specific element of the course. General Principals (usually covered on the second day of the course) can be completed online as outlined below. This should allow more members ease of access to the course and has resulted in a reduction in fees. For further details please contact the office. Places are strictly limited (15 maximum) and applications will be accepted on a first in – first served basis. The course fee must be paid at the time of application. As we anticipate a large amount of interest in the courses we must advise that applications received without payment will not be accepted.

Gaining Accreditation

Participants who pass assessments of a Level1 Coaching Course will become a Club Coach (Level 0) upon application. Participants remain an accredited Club Coach until such time as they complete 20 hours of motorcycle coaching (post course) and complete the General Principals element of the course available at the Australian Sports Commission website:.
