SPORTS COMMITTEE NOMINATIONS

Please be advised that nominations for positions on our Sports Committees are now open.

Given that under the new constitution all committee positions must be appointed by the board of directors, all current committee positions will be declared vacant at the AGM and re-appointed by the Board based on the nominations received.

Those who were current committee members are encouraged to re-nominate, as is anyone else in the sport who wishes to contribute to the growth and future direction of their discipline. Our sports committees are primarily responsible for;

- Providing guidance to the board on the future of their discipline
- Advising the board on by-law changes
- Managing grading policy
- Guidance and direction of State Titles
- Rule change advice to MA
- Other duties at the discretion of the Board and the CEO.

In the coming years, we see the roles of the Sports Committees as being increasingly important as our sport faces many challenges on many levels, and advice from within the sport is critical to how we grow and prosper as a sport.

If you believe you have the time, ability, and passion to assist on one of these committees, please complete the nomination form and return it our Administration Manager, Amy Knop, either by email or fax by close of business on Wednesday May 16.
